

SQUARED
StarLite®

It's Hip To Be Squared.

The transformation is complete... hapless to hip in one easy step. Can 'cool' really be so easy? The answer is **StarLite® SQUARED**.

Designed with the same emphasis that rocketed the StarLite® to popularity, **StarLite® SQUARED** is the next generation in super cool, low-cost protective eyewear.

Riveting, first-impression style is punctuated by this hipster's patent-pending StarSquare™ design. Plus, **StarLite® SQUARED** eclipses all imitators in comfort, featuring soft, flexible temples, a fingertip nosepiece and an incredibly light weight – less than one ounce.

Best of all, **StarLite® SQUARED** is durable enough to stand up to even the toughest work environments, offering excellent all-around impact protection. Learn for yourself... it really is hip to be squared!

After

Gateway
SAFETY

StarLite[®]SQUARED continues what the original StarLite[®] began — providing durable, low-cost, and ultra-fashionable impact protection.

Soft, flexible nosepiece and temples combine with a snug fit and ultra-light weight to create comfortable, long-wearing eye protection.

StarLite[®]SQUARED Features

- This trend-setter surpasses even the coolest eyewear styles, helping to ensure worker compliance.
- Economically priced to fit any budget.
- Incredibly light eyewear – weighing less than an ounce – that provides superior impact protection.
- Soft, pliable temples and a fingertip nosepiece offer long-wearing comfort for end users.
- Snug and comfortable fit; helps minimize slippage and provides full brow protection.
- Size and style is popular with both men and women.
- Scratch-resistant, 100% polycarbonate lens that lasts longer than non-treated lenses.
